MESSAGE FROM ORGANIZERS

Considered the most respected industrial and commercial event in the country for the entire homeware industry, the Poland Houseware Show has created a great setting for houseware industry stakeholders in Poland and all European countries.

The Poland Houseware Show is proud to be able to bring together the most important manufacturers with first-class buyers from Poland and all over the European continent.

Poland Houseware Show revealed the multifaceted dynamics of the household appliances industry;

From the cooking group to the plastic items, from glass products to gift items, from electrical appliances to porcelain, it was appreciated not only by the manufacturers but also by the buyers.

We would like to express our gratitude to our distinguished sponsors and participants who have always provided their support.

This post-exhibition report, which sensitively highlights all the features related to the Poland Houseware Show, presents a comprehensive analysis of visitors and their feedback, so that our business partners can get the full benefit and superior results from the event, sponsors our exhibitors/to experience a better future edition.
